

Introducing the cooler cooler

Office Spring is the new hassle-free way to provide your office with a constant flow of pure, chilled water!

office
SPRING
PURE WATER ALWAYS

- Eliminate expensive and heavy bottles
- Unlimited crystal clear, pure water always
- An easy upgrade can save you \$'000's
- Fully sealed system provides greater hygiene
- All inclusive installation, service and warranty

Office drinking water systems made easy

The Office Spring system uses bottle less contemporary styled coolers designed to complement the most modern offices

Your existing tap water is filtered via premium grade pre and carbon filtration including the removal of chlorine, bad taste & odours, lead and heavy metals, and is tested to NSF Standards 42&53 for the removal of Cryptosporidium and Giardia cysts.

SUPERIOR SERVICE

- Scheduled customer filter service and maintenance plan
- All services are carried out by factory trained technicians
- All systems are hygienically cleaned and sanitised
- All filter cartridges regularly replaced on a schedule
- Full system check, water test, and written report
- Customer service you can rely on

PEACE OF MIND

- No OH&S issues - no bottles to lift
- Easy low fixed cost payment plans
- Unlimited water, you never run out
- Hygienic fully sealed system
- Minimise your administration costs
- Simple for budgeting
